- Take every care not to represent scores out of context.

PRI DISCLAIMER

This document is based on information reported directly by signatories, and on a pilot assessment methodology that remains under consultation. Moreover, the underlying information has not been audited by the PRI or any other party acting on its behalf. While every effort has been made to produce a fair representation of performance, no representations or warranties are made as to the accuracy of the information presented, and no responsibility or liability can be accepted for damage caused by use of or reliance on the information contained within this report.

INTRODUCTION

Thank you for participating in the annual PRI Reporting and Assessment process.

The Assessment report is designed to provide feedback to signatories to support ongoing learning and development.

A brief description of the information presented in each section of this report and how it should be interpreted is provided below. Further information about the highlevel assessment methodology can be found <u>here</u> and a companion document explaining the assessment of each indicator can be found <u>here</u>.

ORGANISATIONAL OVERVIEW

This section provides an overview of the main characteristics of your organisation. This information determined which modules and indicators you reported on and determines your peer groups.

SUMMARY SCORECARD

This section provides an overview of your aggregate score for each module and the median score. These bands range from 'A+' (top band) to 'E' (lowest band).

ASSESSMENT BY MODULE

For each module you reported on, you will see a section that shows your:

- Indicator scorecard
- Section scores
- Comparison to peer groups

INDICATOR SCORECARD AND MODULE SCORES

Your indicator scorecard summarises the scores you achieved for each core and additional assessed indicator within each module. These will range from **** to ****. It also provides basic information about the performance of your organisation compared with other signatories that responded to that indicator. The number of stars determines your overall module score. Please refer to the PRI assessment webpage for additional information about how these scores are calculated.

SECTION SCORES

Each module is divided into several sections. The total number of stars you can achieve in each section are added together and presented in a spider chart.

PEER COMPARISON

Your total aggregated performance band for each module will be compared against your peer groups in a series of distribution charts.

CONFIDENTIALITY

The results of the assessment can be shared and published externally if the signatory wishes to do so. PRI will not publish the assessment reports. Please see a full explanation on Page 2 of this report.

For more information, please contact the PRI's Reporting and Assessment Team on reporting@unpri.org or +44 (0) 20 3714 3185
